

(b) Where such license is desired, the amount of the bond, net assets, and inspection and license fees shall be determined by the Administrator in accordance with the regulations applicable to the particular agricultural product which would require the largest bond and the greatest amount of net assets and of fees if the full capacity of the warehouse was used for its storage.

§ 738.74 Amendments.

Any amendment to, or revision of, the regulations in this part, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes effective as it applies to persons thereafter licensed under the act.

WAREHOUSE LICENSES

§ 739.3 Application forms.

Applications for licenses under sections 4 and 9 of the act and for amendments thereto shall be made to the Secretary upon forms prescribed for the purpose and furnished by the Service, shall be in English, shall truly state the information therein contained, and shall be signed by the applicant. The applicant shall at any time furnish such additional information as the Secretary or his designated representative shall find to be necessary to the consideration of his application.

§ 739.4 Grounds for not issuing license.

A license for the conduct of a warehouse shall not be issued if it be found by the Secretary, or his designated representative, that the warehouse is not suitable for the proper storage of beans, that the warehouseman is incompetent to conduct such warehouse in accordance with the act and the regulations in this part, or that there is any other sufficient reason within the intent of the act for not issuing such license.

§ 739.5 Net assets required.

Any warehouseman conducting a warehouse licensed, or for which application for license has been made, under the act shall have and maintain, above all exemptions and liabilities, net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least 40 cents per hundredweight for the maximum number of hundredweight that the warehouse will accommodate, when stored in the manner customary to the warehouse, as determined by the Administrator, except that the amount of such assets shall not be less than \$10,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which

shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. For the purposes of this section only, paid-in capital stock, as such, shall not be considered a liability. Any deficiency in the required net assets may be supplied by an increase in the amount of the warehouseman's bond in accordance with § 739.12(b).

[39 FR 41825, Dec. 3, 1974. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 739.6 License shall be posted.

Immediately upon receipt of his license or of any amendment thereto under the act, the warehouseman shall post the same and thereafter, except as otherwise provided in the regulations in this part, keep it posted until suspended or terminated, in a conspicuous place in the principal office where receipts issued by such warehouseman are delivered to depositors.

§ 739.7 Suspension or revocation of warehouse licenses.

Pending investigation, the Secretary, or his designated representative, whenever he deems it necessary, may suspend a warehouseman's license temporarily without hearing. Upon written request and a satisfactory statement of reasons therefor submitted by a warehouseman, the Secretary, or his designated representative, may, without hearing suspend or revoke the license issued to such warehouseman. The Secretary, or his designated representative, may, after opportunity for hearing has been afforded in the manner prescribed in this section, cancel a license issued to a warehouseman when such warehouseman (a) is bankrupt or insolvent, (b) has parted in whole or in part with his control over the licensed warehouse, (c) is in process of dissolution or has been dissolved, (d) has ceased to conduct such licensed warehouse, or (e) has in any other manner become nonexistent or incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in paragraphs (a) to (e) of this section shall come into existence it shall be the duty of the

Before a license is revoked for any violation of, or failure to comply with, any provision of the act or of the regulations in this part, or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or his designated representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with § 739.80.

7 CFR Ch. VII (1–1–98 Edition)

WAREHOUSE BONDS

§ 739.11 Bond required; time of filing.

Each warehouseman applying for a warehouse license under the act shall, before such license is granted, file with the Secretary or his designated representative a bond containing the following conditions and such other terms as the Secretary or his designated representative may prescribe in the approved bond forms, with such changes as may be necessary to adapt the forms to the type of legal entity involved:

Now, therefore, if the said license(s) or any amendments thereto be granted and said principal, and its successors and assigns operating said warehouse(s), shall:

Faithfully perform during the period of 1 year commencing ———, or until the termination of said license(s) in the event of termination prior to the end of the 1 year period, all obligations of a licensed warehouseman under the terms of the Act and regulations thereunder relating to the above-named products; and

Faithfully perform during said 1 year period and thereafter, whether or not said warehouse(s) remain(s) licensed under the Act, such delivery obligations and further obligations as a warehouseman as exist at the beginning of said 1 year period or are assumed during said period and prior to termination of said license(s) under contracts with the respective depositors of such products in the warehouse(s);

Then this obligation shall be null and void and of no effect, otherwise to remain in full force. For purposes of this bond, the aforesaid obligations under the Act and regulations and contracts shall include obligations under any and all modifications of the Act, the regulations, and the contracts that may hereafter be made, notice of which modifications to the surety being hereby waived.

[28 FR 5637, June 8, 1963. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 739.12 Basis of amount of bond; additional amounts.

(a) Exclusive of any amount which may be added in accordance with paragraphs (b) and (c) of this section, the amount of such bond shall be at the rate of 40 cents per hundredweight for the maximum number of hundredweight that the warehouse will accommodate, when stored in the manner customary to the warehouse for which

such bond is required, as determined by the Administrator, but not less than \$20,000 nor more than \$200,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and the regulations in this part for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under this section.

(b) In case of a deficiency in net assets under § 739.5 there shall be added to the amount of the bond, fixed in accordance with paragraph (a) of this section, an amount equal to such deficiency.

(c) If the Secretary, or his designated representative, finds the existence of conditions warranting such action, there shall be added to the amount fixed in accordance with paragraphs (a) and (b) of this section a further amount, fixed by him, to meet such conditions.

[10 FR 4964, May 4, 1945, as amended at 24 FR 3692, May 7, 1959; 39 FR 41825, Dec. 3, 1974. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 739.13 Amendment to license.

If application is made under § 739.3 for an amendment to a license and no bond previously filed by the warehouseman under the regulations in this part covers obligations arising during the period of such amendment, the warehouseman shall, when notice has been given by the Secretary, or his designated representative, that his application for such amendment will be granted upon compliance by such warehouseman with the act, file with the Secretary, within a time, if any, fixed in such notice, a bond complying with the act, unless bond in sufficient amount has been filed since the filing of such application. In the discretion of the Secretary, a properly executed instrument in form approved by him, amending, extending or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and these regulations may be filed in lieu of a new bond.

§ 739.14 New bond required each year.

A continuous form of license shall not remain in force for more than one year from its effective date, or any subsequent extension thereof, unless each year not more than 30 days before the date on which the license would expire, the warehouseman files a bond in the required amount with the Secretary and such bond has been approved by him or his designated representative.

§ 739.15 Approval of bond.

No bond, amendment or continuation thereof shall be deemed accepted for the purposes of the act and the regulations in this part until it has been approved by the Secretary, or by his designated representative.

beans stored in a warehouse, such grade or other class shall be stated in the receipt in accordance with §§ 739.73 through 739.75.

(e) If a warehouseman issues a receipt omitting the statement of grade on request of the depositor as permitted by section 18 of the act, such receipt shall have clearly and conspicuously stamped or written on the face thereof the words “Not graded on request of depositor.”

§ 739.18 Lost or destroyed receipts; bond.

(a) In the case of a lost or destroyed receipt, a new receipt upon the same terms, subject to the same conditions, and bearing on its face the number and the date of the receipt in lieu of which it is issued and a plain and conspicuous statement that it is a duplicate issued in lieu of a lost or destroyed receipt, may be issued upon compliance with the conditions set out in paragraph (b) of this section.

(b) Before issuing such new or duplicate receipt, the warehouseman shall require the depositor or other person

applying therefor to make and file with the warehouseman (1) an affidavit showing that he is lawfully entitled to the possession of the original receipt, that he has not negotiated or assigned it, how the original receipt was lost or destroyed, and if lost, that diligent effort has been made to find the receipt without success and (2) a bond in an amount double the value, at the time the bond is given, of the beans represented by the lost or destroyed receipt. Such bond shall be in the form approved for the purpose by the Secretary, or his designated representative, shall be conditioned to indemnify the warehouseman against any loss sustained by reason of the issuance of such duplicate receipt, and shall have as surety thereon preferably a surety company which is authorized to do business, and is subject to service of process in a suit on the bond in the State in which the warehouse is located, or at least two individuals who are residents of such State and each of whom owns real property therein having a value, in excess of all exemptions and encumbrances, equal to the amount of the bond.

[62 FR 33541, June 20, 1997]

§ 739.20 Partial delivery of beans.

If a warehouseman delivers a part only of a lot of beans for which he has issued a negotiable receipt under the act, he shall take up and cancel such receipt and issue a new receipt in accordance with these regulations for the undelivered portion of the beans. The new receipt shall show the date of issuance and also indicate the number and date of the old receipt.

§ 739.21 Return of receipts before delivery of beans.

Except as permitted by law or by the regulations in this part, a warehouseman shall not deliver beans for which he has issued a negotiable receipt until the receipt has been returned to him and canceled, and shall not deliver beans for which he has issued a non-negotiable receipt until such receipt has been returned to him or he has obtained from the person lawfully entitled to such delivery, or his authorized agent, a written order therefor.

§ 739.22 Nonnegotiable receipts; releases.

Each person to whom a nonnegotiable receipt is issued shall furnish the warehouseman with a statement in writing indicating the person or persons having power to authorize delivery of beans covered by such receipt, together with the bona fide signature of such person or persons. No licensed warehouseman shall honor an order for the release of beans covered by a non-negotiable receipt until he has first ascertained that the person issuing the order has authority to order such release, and that the signature of the releasing party is genuine.

§ 739.23 Omission of grade; no compulsion by warehouseman.

No warehouseman shall, directly or indirectly, by any means whatsoever, compel or attempt to compel the depositor of any beans stored in his licensed warehouse to request the issuance of a receipt omitting the statement of grade.

DUTIES OF LICENSED WAREHOUSEMAN

§ 739.24 Beans must be inspected.

No warehouseman shall accept beans for storage or any other purpose until they have been inspected and approved by a licensed inspector, nor store beans the identity of which is not to be preserved until their grade has been determined by a licensed inspector.

§ 739.25 Insurance; requirements.

(a) Each warehouseman, when so requested in writing by the depositor of beans, or the lawful holder of the receipt for any beans, shall, to the extent

to which, in the exercise of due diligence, he is able to procure such insurance, keep such beans while in his custody insured in his own name, to the extent so requested, against loss or damage by fire, lightning, or tornado. When insurance is not carried in the warehouseman's name, the receipt shall show that the beans are not insured by him. Such insurance shall be covered by lawful policies issued by one or more insurance companies authorized to do such business and subject to service of process in suits brought in the State where the warehouse is located. If the warehouseman is unable to procure such insurance to the extent requested, he shall, orally, or by telegraph or by telephone and at his own expense, immediately notify the person making the request. Nothing in this section shall be construed to prevent a warehouseman from adopting a rule that he will insure all beans.

(b) Each warehouseman shall keep exposed conspicuously in the place prescribed by § 739.6 and at such other place as the Administrator or his representative may from time to time designate, a notice stating briefly the conditions under which beans will be insured against loss or damage by fire, lightning, or tornado.

(c) Each warehouseman shall take promptly such steps as may be necessary and proper to collect any moneys which may become due under contracts of insurance entered into by him for the purpose of meeting the requirements of the regulations in this part, and shall, as soon as collected, pay promptly to the persons concerned any portion of such moneys which they may be entitled to receive from him.

§ 739.26 Premiums; inspections; reports.

Each warehouseman shall, in accordance with his contracts with insurance and bonding companies for the purpose of meeting the insurance and bonding requirements of the regulations in this part, pay such premiums, permit such reasonable inspections and examinations, and make such reasonable reports as may be provided for in such contracts.

§ 739.27 Shrinkage of beans.

When beans are received for storage, the warehouseman and the depositor shall agree upon an amount to be allowed for natural shrinkage and loss caused by rodents while the beans are in storage, and the amount so agreed upon shall be clearly stated in the warehouse receipt.

§ 739.28 Care of beans in storage.

Each warehouseman shall at all times exercise such care in regard to beans in his custody as a reasonably careful owner would exercise under the same circumstances and conditions.

§ 739.29 Care of nonlicensed beans or other commodities.

If at any time a warehouseman shall handle beans other than for storage, or shall handle or store any other commodity, he shall so protect the same and otherwise exercise such care with respect to them as not to endanger the beans in his custody as a warehouseman or impair his ability to meet his obligations and perform his duties under the act and the regulations in this part. If the warehouseman shall store commodities other than those for which he is licensed, a nonlicensed receipt shall be issued, which shall contain in its terms a provision that said commodities are accepted for storage only until such time as the space which they may occupy may be needed for products for the storage of which the warehouseman is licensed. Under no circumstances shall any commodities for the storage of which the warehouseman is not licensed be stored if the storage of such commodities might adversely affect the commercial value, or the insurance on beans covered by licensed receipts.

§ 739.30 Records to be kept in safe place.

Each warehouseman shall provide a metal fireproof safe, a fireproof vault, or a fireproof compartment in which he shall keep, when not in actual use, all records, books, and papers pertaining to the warehouse, including his current receipt book, copies of receipts issued, and canceled receipts, except that with the written consent of the Administrator, or his representative, upon a

showing by such warehouseman that it is not practicable to provide such fire-proof safe, vault, or compartment, he may keep such records, books, and papers in some other place of safety approved by the Administrator or his representative. Each canceled receipt shall be retained by the warehouseman for a period of six years after December 31 of the year in which the receipt is canceled and for such longer period as may be necessary for the purposes of any litigation which the warehouseman knows to be pending, or as may be required by the Administrator in particular cases to carry out the purposes of the act. Canceled receipts shall be arranged by the warehouseman in numerical order and otherwise in such manner as shall be directed, for purposes of audit, by authorized officers or agents of the Department of Agriculture.

§ 739.31 Warehouse charges.

A warehouseman shall not make any unreasonable or exorbitant charge for services rendered. Before a license to conduct a warehouse is granted under the act, the warehouseman shall file with the Service a dated copy of his rules and schedule of charges to be made by him if licensed. Before making any change in such rules or schedule of charges he shall file with the Service a statement in writing showing the proposed change and the reasons therefor. Each warehouseman shall keep exposed conspicuously in the place prescribed by § 739.6, and at such other places, accessible to the public, as the Administrator or his representative may from time to time designate, a copy of his current rules and schedule of charges.

§ 739.32 Business hours.

(a) Each warehouse shall be kept open for the purpose of receiving beans for storage and delivering beans out of storage every business day for a period of not less than six hours between the hours of 8 a.m. and 6 p.m., except as

provided in paragraph(b) of this section. The warehouseman shall keep conspicuously posted on the door of the public entrance to his office and to his warehouse a notice showing the hours during which the warehouse will be kept open, except when such office or warehouse is kept open continuously from 8 a.m. to 6 p.m.

(b) If the warehouse is not to be kept open as above required, the notice shall state the period during which it is to be closed and the name and address of an accessible person authorized to make delivery upon lawful demand and surrender of the receipt.

§ 739.33 Tagging identity-preserved beans.

Each warehouseman shall, upon acceptance for storage of any lot of sacked beans or of bulk beans to be specially binned, attach to such lot or bin an identification tag of good quality, or stencil a sufficient number of sacks in the lot in such manner as will readily make possible the identification of the lot at all times. Such tags shall show the lot number, the number of the receipt issued to cover such beans, the number of sacks in the lot, the variety or type of the beans, their grade, if determined, their net weight when they entered storage, and the date they entered storage.

§ 739.34 Arrangement and tagging of stored beans.

Each warehouseman shall so store each lot of beans for which a receipt under the act has been issued that the tag or stencil identification marks thereon, required in § 739.33, are visible and readily accessible, and shall arrange all bags in his warehouse so as to permit making a determination of the number of bags in storage at any time.

§ 739.35 Nonidentity-preserved beans; grading; weighing.

All beans the identity of which is not to be preserved or has not been preserved shall be accepted for and delivered out of storage only on the basis of grades and weights determined by licensed inspectors and weighers.

§ 739.36 Delivery of beans from storage.

Except as may be provided by law or the regulations in this part, each warehouseman, (a) upon proper presentation of a receipt for any beans, other than bulk beans specially binned, and upon payment or tender of all advances and legal charges, shall deliver to such depositor or lawful holder of such receipt beans of the grade and quantity specified in such receipt, after making due allowance for such shrinkage as the receipt stipulates, or (b) upon proper presentation of a receipt for any beans the identity of which was to have been preserved during the storage period, and upon payment or tender of all advances and legal charges, shall deliver to the person lawfully entitled thereto the identical beans stored in his warehouse.

§ 739.37 System of accounts.

Each warehouseman shall use for his warehouse a system of accounts, approved for the purpose by the Administrator, or his authorized representative, which shall show for each bag or lot of beans the name of the depositor, the weight of the beans, the number of bags in each lot, the grade when grade is required to be, or is ascertained, the location in the warehouse, the dates received for and delivered out of storage, the receipts issued and canceled, a separate record for each depositor; and such accounts shall include a detailed record of all moneys received and disbursed and of all effective insurance policies. In the case of beans the identity of which is to be preserved the tag number or stencil identification mark mentioned in § 739.33 shall be shown. Such records shall be retained by the warehouseman for a period of six years after December 31 of the year in which created, and for such longer period as may be necessary for the purposes of any litigation which the warehouseman knows to be pending, or as may be required by the Administrator in par-

ticular cases to carry out the purposes of the Act.

or agent, when he so requests, the assistance necessary to enable him to make any inspection or examination under this section.

§ 739.42 Weighing apparatus; inspection.

The weighing apparatus used for ascertaining the weight stated in a receipt or certificate shall be subject to examination by an officer or agent of the Department employed for such purpose. If the Service shall disapprove such weighing apparatus, it shall not thereafter, unless such disapproval be withdrawn, be used in ascertaining the weight of any beans for the purposes of the act and the regulations in this part.

§ 739.43 Warehouse to be kept clean.

Each warehouseman shall keep his warehouse clean and free from trash, excessive dirt, rubbish, and scattered beans. He shall also exercise every precaution to keep his warehouse free of rats or other pests that might cause damage or injury to beans in storage. The warehouseman shall not under any circumstances accept for storage in his warehouse beans showing the presence of weevil or the larvae of weevil, nor continue to keep in storage beans so affected, without treating them in such manner as will destroy such weevil and larvae or with such chemicals as may be approved by the Service for that purpose.

§ 739.44 Fumigation of warehouse.

When necessary, in the opinion of the Administrator or his representative, the warehouseman shall fumigate thoroughly his warehouse with chemicals approved by the Service.

§ 739.45 Damp, dirty, frosted beans; no storage.

A warehouseman shall not, under any circumstances, accept for storage any beans with moisture content in excess of 17 percent and which contain foreign material likely to injure the keeping qualities of the beans or adversely affect their commercial value, or that are otherwise of a condition rendering them unsuitable for storage, but he may accept such beans for conditioning

purposes and for storage after conditioning.

§ 739.46 Care in storage of beans.

A warehouseman shall so handle and so store beans as not to injure or damage them in any manner.

§ 739.47 Reconditioning deteriorated beans.

If the warehouseman considers that any beans in his warehouse are out of condition, or becoming so, he shall direct the licensed inspector to examine the beans in question, and, if such inspector finds such beans to be out of condition or becoming so, and he is of the opinion that such beans can be brought back into condition by mechanical or other means, or that further deterioration can be prevented, the warehouseman shall give immediate notice of the facts to the persons and in the manner specified in § 739.48 (b) and (c). If, within 24 hours after the giving of such notice, the owners of such beans have not otherwise directed as to the disposition of same, such warehouseman, with the approval of the licensed inspector, shall subject the beans to the proper reconditioning process in his licensed warehouse to the extent to which it is equipped with machinery suitable for the purpose, otherwise in any other warehouse so equipped.

§ 739.48 Procedure in handling deteriorated beans.

(a) If a warehouseman, with the approval of the licensed inspector, shall determine that any beans are deteriorating and that such deterioration can not be stopped, he shall give immediate notice thereof in accordance with paragraphs (b) and (c) of this section.

(b) Such notice shall state (1) the name of the warehouse in which the beans are stored, (2) the quantity, kind, and grade of the beans at the time the notice is given, (3) the actual condition of the beans as nearly as can be ascertained, and the reason, if known, for such condition, and (4) the outstanding receipts covering the beans out of condition, giving the number and date of each such receipt and the quantity, the kind and grade of the beans as stated in each such receipt.

(c) A copy of such notice shall be delivered in person or shall be sent by mail (1) to the persons holding the receipts if known to the warehouseman, (2) to the person who originally deposited the beans, (3) to any other persons known by the licensed warehouseman to be interested in the beans, (4) to the Administrator, and (5) public notice shall also be given by posting a copy of such notice at the place where the warehouseman is required to post his license. A copy of such notice shall be kept as a record of the warehouse. If the holders of the receipts and the owners of the beans are known to the warehouseman and cannot, in the regular course of the mails, be reached within 12 hours, the warehouseman shall, whether or not requested to do so, also immediately notify such persons by telegraph or telephone at their expense.

(d) Any person interested in any beans or the receipt covering such beans stored in a licensed warehouse may notify the warehouseman of his interest in writing, and such warehouseman shall keep a record of that fact. If such person requests in writing that he be notified regarding the condition of any such beans and agrees to pay the cost of any telegraph or telephone toll charge, such warehouseman shall notify such person in accordance with such request.

(e) If the beans advertised in accordance with the requirements of this section have not been removed from storage by the owner thereof within seven days from the date of notice of their being out of condition, the warehouseman may sell the same at public auction at the expense and for the account of the owner, after giving seven days' notice of such proposed sale in the manner specified in paragraphs (b) and (c) of this section.

(f) Nothing contained in this section shall be construed as relieving the warehouseman from properly caring for any beans after sending notification of their condition in accordance with this section.

(g) Records required to be kept by this section shall be retained, as a part of the records of the warehouse, for a period of six years after December 31 of the year in which created, and for such

longer period as may be necessary for the purposes of any litigation which the warehouseman knows to be pending, or as may be required by the Administrator in particular cases to carry out the purposes of the Act.

§ 739.49 Excess storage.

If at any time a warehouseman shall be offered for storage in his warehouse beans in excess of the licensed capacity as shown on his license, he shall not accept such beans until he has first secured authority through an amended license, and after such authority has been granted, the warehouseman shall continue to so arrange the beans as not to obstruct free access thereto and the proper use of sprinklers or other fire protection equipment provided for such warehouse.

§ 739.50 Removal of beans from storage.

Except as may be permitted by law or the regulations in this part, a warehouseman shall not remove any beans from the warehouse or the part thereof designated in the receipt, unless such receipt is first surrendered and canceled. Under no circumstances, unless it becomes absolutely necessary to protect the interests of holders of receipts, shall beans be removed from the warehouse before the surrender of receipts, and immediately upon any such removal the warehouseman shall notify the Administrator of such removal and the necessity therefor.

§ 739.56 Warehouse annual and inspection fees.

Warehousemen must pay:

(a) An annual fee which will be determined by computing the capacity for each warehouse location under a single license and adding those amounts together to determine the total due. The

The capacity for each identifiable location will be determined by the Secretary. The total capacity of all locations may not exceed the capacity stated in the current license. An identifiable location is a fully functional public warehouse as determined by the Secretary. The annual fee a licensed warehouseman is assessed may be adjusted by the amount Commodity Credit Corporation (CCC) pays, if CCC has a storage contract or agreement with the warehouseman.

(b) An inspection fee for each original and amendment inspection.

(c) An inspection fee at the rate of 100 percent of the annual fee charged warehouses without a CCC storage contract or agreement, in all cases where the license has been suspended and the warehouseman has requested reinstatement. No fee will be charged if the Secretary determines that the suspension was not justified.

(c) The applicant shall at any time furnish such additional information as the Secretary, or his designated representative, shall find to be necessary to the consideration of his application.

(d) A single application may be made by any person for a license to inspect and to weigh upon complying with all the requirements of this section.

§ 739.68 Reports.

Each licensed inspector and each licensed weigher shall, from time to time, when requested by the Service, make reports on forms furnished for the purpose by the Service, bearing upon his activities as such licensed inspector or licensed weigher.

§ 739.69 Licenses; suspension or revocation.

Pending investigation, the Secretary, or his designated representative, may, whenever he deems necessary, suspend the license of an inspector or of a weigher temporarily without hearing. Upon a written request and a satisfactory statement of reasons therefor, submitted by the inspector or weigher, or when the inspector or weigher has ceased to perform such services at the warehouse, the Secretary, or his designated representative, may, without hearing, suspend or revoke the license issued to such inspector or weigher. The Secretary, or his designated representative, may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, suspend or revoke a license issued to an inspector or a weigher when such inspector or weigher has in any manner become incompetent or incapacitated to perform the duties of a licensed inspector or licensed weigher. § 739.70 Suspended or revoked license; return; termination of license.

(a) If a license issued to an inspector or to a weigher is suspended or revoked, by the Secretary, or by his designated representative, it shall be returned to the Secretary. At the expiration of any period of suspension of a license, unless in the meantime it be revoked, the dates of the beginning and termination of the suspension shall be indorsed thereon, and it shall be returned to the inspector or weigher to whom it was originally issued, and it shall be posted as prescribed in § 739.61.

(b) Any license issued to an inspector or weigher shall automatically be suspended or terminated as to any warehouse whenever the license of such warehouse shall be suspended or revoked. § 739.77

BEAN INSPECTION AND CLASSIFICATION

§ 739.73 Statement of classification.

Whenever the variety, grade, or condition of beans is required to be or is stated for the purposes of this act and the regulations in this part, it shall be stated in accordance with §§ 739.74 and 739.75.

§ 739.74 Standards to be used.

The official bean standards of the United States are hereby adopted as the official beans standards for the purposes of the act and regulations.

§ 739.75 Statement of variety, grade, condition.

Whenever the variety, grade or condition of beans is stated for the purpose of this act and the regulations in this part, the terms used shall be correctly applied and shall be so stated as not to convey a false impression of the beans. In case of doubt as to the variety, grade or condition of a given lot of beans, a determination shall be made of such facts by drawing samples fairly representative of the contents of the lot of beans offered for storage. These samples shall be thoroughly mixed, and after being so mixed, from this mixture by quartering a sufficient quantity shall be taken which shall constitute the sample for the purpose of determining the grade.

APPEAL OF GRADES

§ 739.76 Conditions and procedure of appeal.

(a) If a question arises as to whether the variety, grade or condition of the beans was correctly stated in a receipt or inspection certificate issued under the act or the regulations in this part, the warehouseman concerned or any person financially interested in the beans involved may, after reasonable notice to the other party, submit the question to such representatives of the Service as the Administrator may appoint. The decision of such representatives shall be final, unless the Administrator shall direct a review of the question. Immediately upon making their decision, these representatives shall issue a certificate embodying their

findings to the appellants and the licensee or licensees involved.

(b) If the decision of the representatives of the Service be that the variety, grade, or condition was not correctly stated, the receipt or certificate involved shall be returned to and canceled by the licensee who issued it, and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of variety, grade, or condition, in accordance with the findings of the aforesaid representatives.

(c) All necessary and reasonable expense of such arbitration shall be borne by the losing party, unless the Administrator or his representative shall decide that the expense should be prorated between the parties.

MISCELLANEOUS

§ 739.77 Bonds required.

Every person applying for a license, or licensed under section 9 of the act, shall, as such, be subject to all portions of the regulations in this part except § 739.5, so far as they may relate to warehousemen. If there is a law of any State providing for a system of warehouses owned, operated, or leased by such State, a person applying for a license under section 9 of the act, to accept the custody of beans and to store the same in any of said warehouses, may, in lieu of a bond or bonds complying with §§ 739.11 and 739.12, file with the Secretary a single bond meeting the requirements of the act and the regulations in this part, in such form and in such amount not less than \$5,000 as he shall prescribe, to insure the performance by such person, with respect to the acceptance of the custody of beans and their storage in the warehouses in such system for which licenses are or may be issued, of his obligations arising during the periods of such licenses, or amendments thereto. In fixing the amount of such bond, consideration shall be given, among other appropriate factors, to the character of the warehouses involved, their actual or contemplated capacity, the bonding requirements of the State and its liability with respect to such warehouses. If the Secretary, or his designated representative, shall find the

§ 739.78

existence of conditions warranting such action, there shall be added to the amount of the bond so fixed a further amount, fixed by him, to meet such conditions.

§ 739.78 Publications.

Publications under the act and the regulations in this part shall be made in such media as may be deemed proper by the Administrator.

§ 739.80 Procedure in hearings.

Hearings under the Act or the regulations in this part, except those relating to appeals or arbitrations shall be conducted in accordance with the Rules of Practice Governing Formal Adjudicatory Administrative Proceedings Instituted by the Secretary under various statutes (7 CFR 1.130 through 1.151).

[45 FR 6776, Jan. 30, 1980. Redesignated at 50 FR 1814, Jan. 14, 1985]

§ 739.81 One document and one license to cover several products.

A license may be issued for the storage of two or more agricultural products in a single warehouse. Where such a license is desired, a single application, inspection, bond, record, report, or other paper, document or proceeding relating to such warehouse, shall be sufficient unless otherwise directed by the Administrator.

§ 739.82 Bond for combination warehouse.

Where such license is desired, the amount of the bond, net assets, and inspection and license fees shall be determined by the Administrator in accordance with the regulations applicable to the particular agricultural product which would require the largest bond and the greatest amount of net assets and of fees if the full capacity of the warehouse were used for its storage.

7 CFR Ch. VII (1–1–98 Edition)

§ 739.83 Amendments.

Any amendment to, or revision of, the regulations in this part, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes effective as it applies to persons thereafter licensed under the act.
